Woodbourne Court Sale Cheshire

### Woodbourne Court Fire Safety Advice

- . In case of fire it is recommended that all residents remain in their flats and await instruction by an on-site duty fire officer.
- . Fire safety signs have been strategically placed in all areas to raise awareness for all residents and guests alike.
- . Please keep the main drive free of vehicles, where ever possible at all times.
- . Please ensure that all trades personnel are made aware of our fire safety code of practice, when visiting the block.
- . Emergency lighting is installed on all landings and also to the main entrance foyer.
- . A smoke alarm is installed above the electricity meter room door.
- . A CO2 fire extinguisher is installed inside the electricity meter room.
- . Internally, it is advisable to keep a torch close to hand, perhaps by your front door, in case of a power failure or any other such emergency.
- . Buy-to-let owners, please ensure that your existing/new tenants/management agents are made fully aware of these guidelines.
